

THE KINGDOM SHIELD OF FAITH

The MPBC Children and Youth Ministry's "Kingdom Shield of Faith" provides your child or teen with five rings of coverage as they take this journey. To obtain their yearly pins, each child will be observed and graded on these five rings. Parents, please be encouraged to submit the accompanying forms at the end of each month.

RING 1 - READING is at the center and it is important to the development of an individual both mentally and spiritually. Reading will be required monthly. We ask that you strive to read about the theme of the month whether it be continuing the story or finding a new story. A summary based on your age will be required. Use the form provided for your group to submit your reading and summary information. Other books are always welcome.
